THE CRIER OFFICE

The Crier Office, which formerly had occupied room 126 until 1940 when that room was taken over by the Senior Counselor, for a time was located in 210 and 334. But in 1948, 318 became the permanent Crier Office. In this room the paper is planned, articles written, page plans drawn, dummies pasted, and files kept. Mrs. Gwen Hultenschmidt, editorial advisor of this publication, is assisted by Dick Powers, editor-in-chief, and a staff who have taken Journalism.

THE LITTLE THEATER

In the fall of '49, room 249 was converted into a little theater. The Board of Education decorated the room in grey and rose and the PTA provided stage lights, fireproof curtains and drapes. The Little Theater is now used by English classes to present special projects, such as movies, dramatizations of book reports, and wire recordings of "Beowulf". The Drama Club presents numerous plays and the Social Science department offers lectures.

ATTENDANCE OFFICE

Mr. Elmer Casey, attendance counselor, is in charge of room 140, where the attendance records of all Calumet students are kept. Miss Todd and Mr. Sietsema, who have at various times also headed this office, assist in keeping the records and help the truant officer secure better attendance. Students who work in this office receive service points and a chance to earn a letter. Before this room was organized in 1944, session teachers were solely responsible for the attendance records of their students.

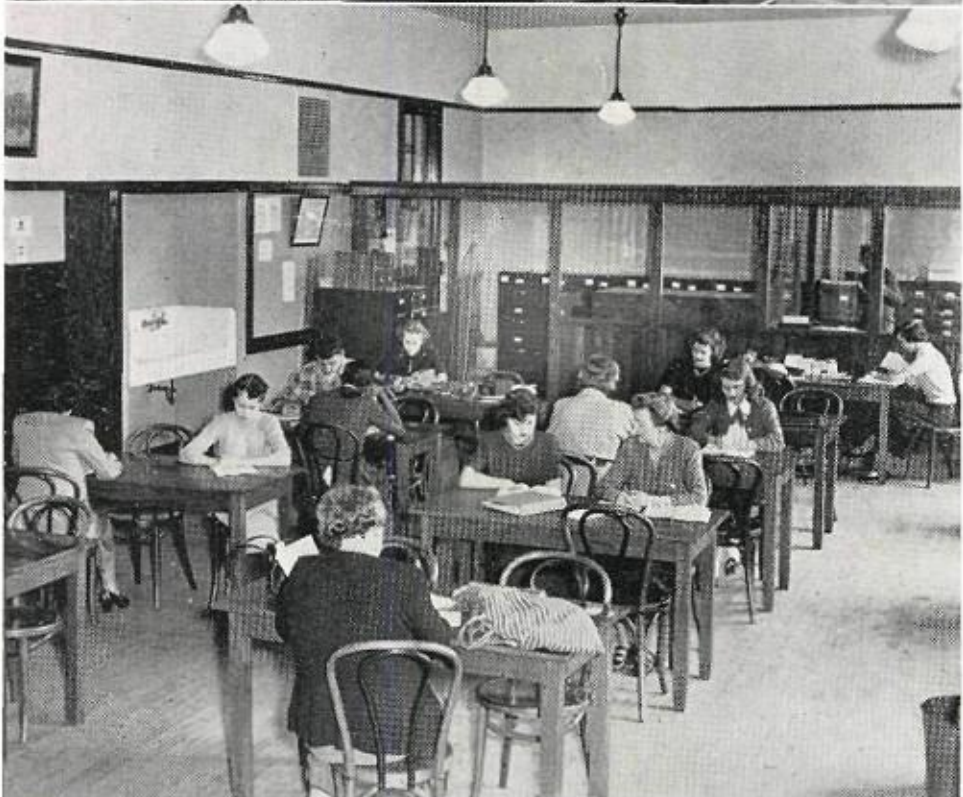

THE SOCIAL ROOM

The Social Room, 117, was decorated in grey in the fall of 1949. The PTA contributed forest green drapes and window-seat cushions. The ACCL bought four landscape oil paintings by Arno Bretsnyder, a local Beverly Hills artist. During the summer of '50, the Board of Education furnished the room in modern bleached oak furniture with plastic upholstery in contrasting colors, such as coral and yellow. There is a piano and radio-phonograph for social occasions, and chairs, tables and lamps are arranged informally for committee and club meetings.

THE ADAMS HISTORY ANNEX

The Victoria Adams History Reference room is a library annex equipped in March 1950. This room honors Miss Adams, a former Calumet history teacher, who presented to the school library five hundred history and civics books which she accumulated through her work on a committee to select the best social science text books. Students can receive extra help from teachers in charge of the room. Miss Adams, a descendant of President John Adams, also established an \$86,000 trust fund, the income from which finances scholarships to the University of Chicago, to encourage Calumet students to study history.

THE ADJUSTMENT OFFICE

About ten years ago, room 112 was changed from a large study hall into the Adjustment Office. The office had been in room 117 until it was remodeled into a social room. Miss Mildred Harris, Adjustment Counselor, gives aptitude tests and keeps cumulative folders on each student. The room is used for guidance by teachers to give extra help or tutoring to students who need it.

Verlyn W. Ault

ASSISTANT PRINCIPAL

R. Grant Beebe, Calumet's second principal, organized the PTA in 1914 with the building of a new school as its goal. He received permission from the Board of Education to plan a new building for the ten acre plot the Board had bought at 81st and May in 1922. The plans which were drawn by the school's mechanical drawing department were approved by the Board.

Building was delayed while school officials debated changing the location to a site adjoining Foster Park so the school could use the athletic facilities of the park. The school was built in 1925-'6 along with most of the homes that are now southwest of 79th and Halsted.

The freshman divisions came to the school in September 1926. Two months later Miss Genevieve Melody moved the rest of the student body from 81st and Normal to the new school.

Our principal for the last eleven years has been Mr. Glenn C. Worst. During the time he has been at Calumet, room 249 has been made into the Little Theater and 117 is now a beautiful social room. Mr. Worst and Mr. Beebe have the second longest tenure at Calumet exceeded only by Mr. Hall who was principal for 24 years.

... OF OUR SCHOOL

I Remember . . .

CALUMET WHEN . . .

" . . . for the first few months not all the third floor was in use and in the spring the track team rehearsed the 100 yard dash in the third floor hall. This was done apparently without casualties."

HOWARD S. BECHTOLT (*Spanish*)

" . . . there was no floor in the gym, so the girls had gym in 117. We covered the doors and windows with paper, and dressed and worked in the open room. Of course gym classes had only twenty-five pupils then."

HELEN DAVIDGE (*Physical Ed.*)

" . . . the absence of trees, shrubs, and grass convinced me that the grounds needed beautifying. Each session raised ten dollars to buy elm trees for the front of the school and next spring the first Rose Day was held to provide funds for further improvements. Later the Garden Club was organized to carry on this work."

RUBY FREMONT (*Biology*)

" . . . I was a substitute. Mr. Dougherty explained all the rules except one to me. When he did not go to the first fire drill, I thought I didn't have to go. Miss Melody later scolded me for trying to become a "Big black cinder." This embarrassing experience as a newcomer interested me in helping freshmen."

HARRIETT HAGEN (*English*)

" . . . the lunchroom wasn't yet completed; so the students and teachers ate their lunch in whatever classroom they happened to be in at the time."

ETHEL MEALIFF (*Latin*)

" . . . I couldn't keep up with the reams of bulletins giving new rules for school procedures and then countermanding them. The enrollment was so high that not less than four pupils were assigned to each locker."

CLASS HISTORY—JANUARY 1951

It was a cold day in February when nearly 300 Freshies officially enrolled at Calumet. It was so different from grammar school, and we were lonesome for all our old friends. Finding the lunchroom and the right gym was our main worry. Admits, tardy slips, cut slips and passes bothered us not, for we didn't even know what they were.

When we became Sophomores, did we ever feel important, but the Juniors soon took the conceit out of us. Most of us then became interested in school activities and clubs. The boys went out for the football, the basketball, and the swim teams, and if lucky, made the 3rd string. We started thinking of the future, and

took courses that would help us to achieve our goal in life.

Our Junior year found us at most of the games, socials and plays. To get through U. S. History and Physics was our main ambition.

In our Senior year, we picked out our rings, had our graduation photos taken, and were measured for caps and gowns. We elected Dick Dahlke as our class president, and made Florence Lam head of the Senior Girls' Council.

Whether we go to college, jobs or marriage, we can never forget you, Calumet. You will always be remembered and have a place in our hearts.

JOHN ROBERT BEDE

CLASS HISTORY - JUNE 1951

On one of the warmest days in September over 500 Frightened Freshies entered Cal's endless maze of halls for their first look at the place that would be home to us for four years. Getting to the right class at the right time proved to be quite a problem.

We progressed to Spunky Sophs, became better acquainted with our teachers and found out that they were pretty swell. While we were dissecting bugs and frogs, certain odors came from the food lab. Yes, the girls were learning how to cook.

Soon we were Jubilant Juniors taking U.S. and suffering because it meant very hard work.

We were at last feeling at home, joining more clubs and going to school activities. Steve Murphy became a track star running the mile in 4:21. At the end of the year we elected Ed O'Donnell ACCL president.

Finally we were "big wheels" in our own right taking civics, public speaking, and careers. Jim Keenan was elected class president. Class day, the dreamy prom at the Edgewater Beach, and then graduation found us feeling very grown-up indeed. The Smiling Seniors had at last become serious ones. We'll miss you Cal! No matter where we go or what we do, we'll remember the wonderful times we spent with you.

Mrs. Gwen Hultenschmidt

"Oh, the story doesn't fit!"

"This cut didn't come out clear!"

"Two blank spaces and it's Friday already!"

Many an editor has listened wearily to such moans and groans in 318, the Crier Office. In the end, however, the paper comes out as usual on Thursday and everyone, even the editors, forget the trouble they had getting it to press on time.

These beginning journalists love their work though and often stay as late as 4:30 on Mondays, Wednesdays, and Fridays. Since all the doors are locked at 4:00, this group is more familiar with the basement route out of the building than anyone in the school except the janitors.

The outstanding graduating members of the staff are awarded Quill and Scroll pins. Quill and Scroll is a national organization of high school journalists and the recipients are very proud of their honor.

At the beginning of the second semester, Mrs. Hultenschmidt became circulation as well as editorial adviser.

TEMULAC

The '51 Temulac, under the sponsorship of Mrs. Helena C. McGinnis, has for its theme this year the silver anniversary of our school building. It shows the various rooms which are important to Cal students and gives a short history of each. It also honors the teachers who have been here since the opening of the building. The '51 edition contains group pictures of the clubs and service groups with short summaries of their activities. Since every student now has an opportunity to have his picture in this publication, the yearbook is a history of the entire school.

The staffs work on the Tem during their study periods and other free time — writing, editing, sketching or taking pictures. After four semesters' work a staff-member can receive a letter for his service. Under-classmen are encouraged to join the staff as early as possible.

SENIOR GIRLS' COUNCIL

The Senior Girls' Council, sponsored by Miss Mildred Erhart, elected Florence Lam president at their first meeting in September. Also elected were Nancy Dodd, vice-president; Ruth Johnson, secretary; and Maxine Reames, treasurer.

The big event of the first semester was the SGC dance, Candy Cane Capers, which was held at Hamilton Park, December 1. 130 couples danced to the music of Jack Holbrook and his Stardusters.

The 74 members of the June Senior Girls' Council elected Rae Coffman, president; Joanne Larsen, vice-president; Nancy Joy Kerr, secretary; and Katherine Sieg, treasurer.

The Hawaiian Serenade was held at Hamilton Park, March 31. Music was provided by Johnny Lewis and his band.

The proceeds from the two dances were used for teas at which all senior mothers were entertained. The SGC girls also serve at luncheons given by Mr. Worst and Mr. Fowler.

R. O. T. C.

Rated in the top 5% of all city schools, Calumet's R.O.T.C. placed second to Lindbloom in the final district competition. The unit participated in the annual Cadet Day parade down Michigan Blvd. on June 9, 1950 and marched in the Armistice Day parade and ceremony directed by the McCullough Post of the American Legion. Our rifle team competed in city meets which were hotly contested for top honors.

Thirty-eight members of the corps attended the first annual spring camp at Fort Sheridan during spring vacation. In the drill competition held after completion of this camp period, the Calumet platoon, under the leadership of Cadet Captain Donald Knutson won the trophy award for first place, edging out the city champion, the Lindbloom platoon.

Under the capable instruction of Captain L. E. Moncrief, Sergeant First Class Richard J. Adams, and Sergeant Chester C. Brehm, each recruit is taught the importance of military discipline in developing good citizenship.

A CAPPELLA CHOIR

The A Cappella, a mixed choral group, under the direction of Mrs. Clare Harms, puts a great deal of hard work into their programs, such as the Christmas Assembly and the Spring Concert. The Pow Wow this fall replaced the usual concert. Fun and food is the main entertainment at the popular annual picnic held at the Promontory Point.

New members, who are taken in at the beginning of each semester, must have passing marks in all subjects and have a G average in music. Officers for the spring semester were president, Connie Czerny; vice-president, Richard Blandon; secretary, Lois Stanton; and treasurer, Ken Schultz.

Row 1: Huebner, Eyman, Mrs. Harms, Hammer, Coplin.

GIRLS' CHORUS

Cal students always enjoy the music of the Girls' Chorus at the Christmas assembly and the Spring Concert. This group of 75 voices work hard and practice faithfully with Mrs. Harms to produce these fine programs. New members who are taken in each semester must have an E average in music and pass all other subjects.

DRAMA CLUB

DRAMA CLUB OFFICERS AND SPONSOR

Dennis Marlas (Treas.), Gee Gee Geyer (Vice-Pres.), Mrs. Ruth Burton (Sponsor), Jean Roberts (Pres.), Marlene Bollinger (Secy.).

The Drama Club, under the sponsorship of Mrs. Ruth Burton, is open to all Calumet students interested in dramatics. The main purpose of the club is to present plays or skits. The play, "Bewitched and Bewildered" was presented for the Pow Wow in October. Officers for the first semester were Jean Roberts, president; Gee Gee Geyer, vice-president; Marlene Bollinger, secretary; and Dennis Marlas, treasurer.

In February Mrs. Burton left Calumet for a sabbatical leave and Miss Martha Blumenthal became the new sponsor. New Officers were Beverly Jacobs, president; Maria Chicos, vice-president; Judy Honor, secretary; and Elaine Dimoglis, treasurer. The Thespians decided to present a play other than a comedy this year and "The House of Greed", a murder mystery, was presented in the spring.

Row 1: Marlas (Treas.), Geyer (Vice-Pres.), Mrs. Burton, Roberts (Pres.), Bollinger (Secy.).

Row 2: Patrich, Evans, Chicos, Fitzsimmons, Mikos, Spratt.

Row 3: Edson, Sotirakos, Dimoglis, Soter, Russell, Kumskis, Moll, Semeniuk.

Row 4: Matt, Honor, Dillon, Binder, Ahlberg, Birmingham, Akouris, Madigan, Leyers.

SENIOR COUNCIL

The Senior Council, under the direction of the fourth year counselor, Mr. Harold Metz, is composed of eleven members — one representative from each senior session. The main purpose of the council is to sit in on meetings and make decisions about matters which concern seniors. Among the questions taken under consideration were the choice of ring style for the June '51 class, commencement announcements and the effect on lunchroom conduct of a senior section.

EXECUTIVE COUNCIL

The Executive Council is composed of the eleven leaders or presidents of school organizations. The students meet every other week during the third period in 117. Under the supervision of Mr. Verlyn Ault, the council plans club meetings so that the various clubs won't be convening at the same time. School problems, such as building school spirit, were considered at these meetings.

DER DEUTSCHE VEREIN

Der Deutsche Verein, sponsored by Miss Josephine Martin, offers practical training in the German language in its many meetings, parties, and picnics. The highlights of the year were its picnic, to which Miss Martin brought her sausage-dog Fritz, and a gay Christmas party with a German Santa Claus. The spring semester officers were: Roger Koenig, president; Bernie Witte, vice-president; Lynn Johnson, secretary; Heide Meile, treasurer; and Al Brown, director of activities.

LATIN CLUB

Any student who is now taking or has taken Latin is eligible for membership in the Latin Club. It was organized in 1921 to build a better understanding of the Romans and their language. But the club has few activities outside of the meetings. Mr. Cunnea sponsored the club during Miss Boyd's absence on sabbatical leave. Mary Alevizos was elected this year's president; Barbara Lindgren, vice-president; Lois Stanton, secretary; and Dian Law, treasurer.

OFFICE HELPERS

The duties of the students assisting in main office are varied. Daily tasks such as mimeographing of the absence list, filling teachers' orders for supplies and delivering them, placing mail in boxes, and sundry other tasks are assigned by Miss McNally and Mrs. English. A G average and the recommendation of two teachers and the division teacher is required to become an office helper.

ADJUSTMENT OFFICE ASSISTANTS

Under the supervision of Miss M. Harris, Cal's adjustment teacher, these girls score achievement tests taken by all Calites upon entrance, keep the files up-to-date, run errands, and type. They also take "attendance slips" to study teachers for students who have spent the period in 112 receiving extra guidance or making up exams.

ATTENDANCE OFFICE

A record of each student's attendance is kept in room 140, the attendance office, from the day he enters until he graduates. Most of the work in this office is caused by a small number of habitual absentees. Only eight percent of the students were compelled to take tests because of twelve days' absence, while five per cent more took them because of excessive tardiness.

CLICK CHICKS

The Click Chicks is an organization of girls interested in photography. President Elaine Williams presides over meetings on Tuesdays, 10th period. Sometimes they learn even more than planned. Once when photo flood lighting was being used, Mrs. Rutherford, their sponsor, also demonstrated how to blow a fuse.

BOOKROOM HELPERS

Under the supervision of Miss Aasen and Mrs. Harrison this group of students help expedite one of the most practical bookroom plans ever devised for filling teachers' orders for books. Besides operating a haven for lost books, the assistants maintain a check room for texts of pupils who desire to study in the library.

MATH CLUB

The Thaliens reorganized in the fall of '50 as the Math Club, with Miss McEnroe as sponsor and Russell Leaf, president. The members learn advanced mathematics not included in the regular courses and most of them also tutor students needing help. Each year a tournament is conducted to find Cal's top math students, who then enter the sectional tournament.

CHESS CLUB

In the City Tournament, Cal's newly organized Chess Club played two matches each with Hyde Park, Tilden, and CVS — winning only one contest. They were sponsored the first semester by Miss McEnroe. The next semester they practiced 8th and 9th periods on Wednesdays under Miss Houlihan and Mr. Marshall.

MODEL ENGINEERS

The Model Engineers' Club under the supervision of Mr. Elmer Del Favero is just a year old but already has had many displays in the school. At the Pow Wow, the club had a working display of the Railroad Fair. During the Christmas Season the members built toys for Child Haven Orphanage. The officers are: president, Larry Herm; and vice-president, Jack Gordon.

FIRE MARSHALLS

The Fire Marshalls, under Mr. Verlyn Ault, sponsor, and Jack McGlinn, chief marshall, supervise the fire drills. They must have a complete knowledge of all exits in case the building must be emptied quickly in an emergency. They also help direct students in fire drills and keep the drills orderly.

STAGE HANDS

The stage hands, one of Calumet's least acknowledged organizations, contribute to our enjoyment by manipulating the lights, curtains, drops and other props at all assemblies. Boys in Mr. Hoffman's electric and radio shops who are interested in theater-craft make up this group.

CAL

To help students in the library, CAL (Calumet Assistant Librarians) was organized by its sponsor Miss Randall. They help keep track of the books taken from the library, and keep books, magazines and reference material in place on the shelves. The club holds its meetings on Friday and all the members work in the library.

SOUND CREW

The sound crew is a service organization sponsored by Mr. Marshall. Operating the public address system, and making minor repairs on projectors and amplifiers are some of the duties faithfully performed by members for two years to earn a letter.

PRINTERS' CLUB

The newly organized Printers' Club, under Mr. Alexander, is one of the most active in Calumet. To raise funds for the school, many souvenirs were printed and sold at the Pow Wow. They also had a printing exhibition. Later, this organization revised and printed in four colors a printers' lesson book.

P. T. A.

The Calumet PTA is an organization of the mothers, fathers and teachers of Calumet students. Its 1450 members, of whom 400 are fathers, are personally interested in the student body, and make every effort to have a strong organization which can do things for the welfare of the students.

The PTA's main project this year was the Pow Wow. They cooperated with the faculty and students, and shared in the profits. From their proceeds they gave \$600 for band instruments and helped pay for the electric score board in the gym. They also assisted the gym departments examine all freshman boys and girls entering Calumet.

In April they entertained the faculty at a dinner where parents and teachers met and became closer friends and co-workers.

Eleven students and several teachers are on the executive board. The PTA stands ready to help all students whenever possible and hope that all parents will attend meetings on the third Tuesday of each month.

THE ALL CITY STUDENT COUNCIL

The All City Student Council, which was organized by Dr. Herold C. Hunt last year, is composed of the presidents of the student governments in all Chicago public high schools. Its purpose is to discuss the problems that arise in student councils and to give any suggestions or ideas which may help solve them. Ed O'Donnell, ACCL president, is Calumet's representative on the council.

Calumet was host to the council last December 14th in 117. Mr. Worst entertained Dr. Hunt, Mr. Butler Laughlin, and the five district superintendents at a luncheon. After their meeting, the delegates enjoyed a tea and a tour of the school.

DISTRICT FIVE MEETING

Mr. O. F. Fowler, District Superintendent, schedules monthly meetings of the 9 principals of the District once a month on Thursday morning at 9 o'clock, in the different high schools of the district. In cooperation with a recent city wide project, the Chicago Symphony Orchestra presented a concert at Fenger High School on April 4th.

The meeting for December, 1950 was held at Calumet High School in the District Office. Following the meeting Mr. Fowler invited the 9 principals as his guests to a Christmas turkey dinner in the Social Room.

Smith, Fansen, Townley (Santa Claus), Durrer (Mrs. Santa Claus), Johnson, Kleim.

SOCIAL COMMITTEE

The success of Cal's socials this season was due to the hard work of 20 students, under the direction of Mr. William Merwick, faculty sponsor. They planned all socials and decorated the gym for them.

At the Turkey Trot, the Thanksgiving social, the gym was decorated with brown and gold paper, and a door prize was given away. The biggest social, however, was the Holly Hop, the Christmas dance. A Christmas tree, mistletoe, and seasonal decorations provided a gay background for the dancing couples. After the balloons burst, Dee Durrer and Dick Townley were crowned Mr. and Mrs. Santa Claus. The spring social was in March.

THE JANUARY PROM

The January class of 1951 held its Senior Prom in the Louis XVI Room of the Shoreland Hotel, at 55th and Lake Shore Drive, January 12 at 9 o'clock.

One hundred and fifteen couples danced to the music of Paul Meeker's orchestra. Mr. and Mrs. Worst, Mr. and Mrs. Ault, Mr. and Mrs. Metz, Mrs. Horine, and Mr. Freestrom were guests of honor. The prom committee, under the direction of John Hostrup, selected attractive bids, the covers of which were blue mirrors with a Calumet Indian frosted in white on them. After the grand march Calites left for the Blackhawk, Empire Room, Chez Paree, and the Boulevard Room.

POW WOW

Highlight of the Pow Wow, presented on October 25th, was the crowning of Pat Sebby as football queen, who was chosen from 36 finalists. Members of her court were girls selling the largest number of tickets. The boys winning portable radios were James Dillon, Bruce Bedier, Lester Weiner, and William Magnuson. The first of twenty door prizes awarded, an Admiral television set, was won by freshman Sharon Daley.

Other events enjoyed by the 8,000 who crowded into Calumet for that never-to-be-forgotten evening were plays presented by the Drama Club, a band concert, a fashion show, a magician show, a faculty burlesque "Fharoah's Phrolics", a water ballet and combat swimming, comic wrestling matches, basketball games, a Charleston contest, and talent shows.

Funds were used to buy band uniforms, stage and gym equipment, choir robes, and other materials not furnished by the Board.

ALL CALUMET C

The All Calumet Civic League, under the sponsorship of Miss Evelyn Demoplos and Mr. John Palsedge, met every Wednesday in 249 during the third period to discuss problems which had arisen during the week, and to build school spirit so that the students would feel themselves a part of the school.

The membership drives were almost 100%. The first semester drive was climaxed by a Pow Wow Talent Assembly. To celebrate the close of the second semester drive, Mary Ditton, Director of Activities, brought Lee Kreiger and Chris Robinson from the cast of South Pacific to entertain Calites with a comedy routine and selections from "Oklahoma."

The student court and police force was reorganized and functioned efficiently. Any students causing a disturbance or breaking rules were brought before a student judge and jury. First offenders were warned or given a long composition to write. Second offenders were given a week of clean-up duty in the lunchroom. Third offenders were suspended from using the lunchroom for one week.

During the last semester, the outstanding event was the Clean-up campaign with the dance, parade, and assembly.

ON STAGE!

CLEAN-UP COMMITTEE

Miss Evelyn Demoplos, sponsor, and Virginia Madigan, student director, set up a drive to really stress Cal's 1951 Clean-Up campaign throughout the month of April. Each week a different theme such as halls, lunch-room, and campus was plugged.

On April 2, posters were put up all over the school. To encourage the students to make a lot of posters, a contest was held. Barb White placed first. A tag day secured funds to beautify the campus as the Plant-Up part of the campaign.

Steve Murphy and Barb Pock were elected Clean-Up King and Queen and were crowned at the assembly. They rode in a convertible in the annual parade and reigned at the dance. The court was composed of Irene Schaack-Mike Crane, Barb Brownell-Dick Peterson, and Marlene Bollinger-Dick Voell.

Frank Hohmann and Joan Bechina were spotlight singers and sang selections at both the assembly and the dance.

SOCIETY . . . NATIONAL HONOR SOCIETY

To become a member of the Junior Honor Society one must have a 3.0 average and a certain amount of service points according to semesters. The officers are: Bob Bein, president; Jim Simpson, vice-president; Corinne Murphy, secretary; Marge Andresen, treasurer. They were elected in September and are in office for two semesters. This society does not hold meetings because of its large membership. It has 347 members in all. The sponsor is Miss Jennie Aasen.

Twenty-seven January graduates were elected to the National Honor Society and fifty-three from the June class.

The ACCL gave a luncheon for the Honor Society in the Social Room on January 16. Guests of honor were Mr. Worst, Mr. Fowler, Mr. Metz, and the 4A session teachers. The June class was also honored with a luncheon.

The upper fifteen percent of each class is chosen on the basis of citizenship, scholarship, leadership, and service. At graduation the honor students wear gold tassels on their caps and sit on the stage. Mrs. Mary Roberts, sponsor, presents the group with membership cards and gold pins bought by the P.T.A.

FOOTBALL

Under coach Ted Hansen and captain Don Stage, the 1950 Calumet Indians had a moderately successful season, ending with a 3 win 3 loss league record. The heartbreaking game of the season was with C. V. S. After we had led for the first three periods, the Cavaliers blocked our punt and ran for a touchdown, winning 19 to 14. This loss kept Cal out of the city playoffs; we tied for fourth place in South Section.

Dick Dahlke was picked for the All-City first string, while Ken Englehardt, Bob Fitzgerald, and Jack O'Toole received honorable mention. Emmett O'Connor, offensive and defensive back, was voted the most valuable member of the squad by his teammates. Returning next year will be Capt. Jack O'Toole, Lee Swanson, Bill Johnson, Ed Boghosian, Bill Rankin, and Bob Fitzgerald.

Our frosh-soph had a 4-2 record, and Wolcott, Sinclair, and T. Johnson are expected to strengthen the varsity next season.

BASKETBALL

Lead by Gene Golden and Ed Stube, Cal's fabulous 1-2 scoring combination, the Senior Indians had their usually fine season last year, especially before midseason graduation. The hoopsters opened the season by beating their arch-rival Fenger 47-36. Chicago Vocational stopped Cal's scoring machine early in their game with a tight zone defense but finally bowed 52-45. Calumet traveled to Parker to play the undefeated Colonels, who later became city champions, in one of the most exciting games of the South Section race, but finally lost 59-52 after Gene Golden fouled out. In the two remaining games before midseason graduation, the Indians lost to a red hot South Shore team 88 to 57, but then, sparked by Ed Stube's 32 points, they trounced Hirsch 85 to 60. After Rein was moved from guard to center and became high scorer, he led the Seniors to wins over Harper, Hyde Park, Morgan Park and Bowen by close scores. The team lost only to Carver in the South Section and to Von Steuben's Harvey Babetch and Co. in the city playoffs.

The unpredictable Juniors played .500 ball looking great at times but very bad at other times. The Junior warriors opened their season with an impressive win over Fenger 41 to 29. After this victory, they lost their next four games in a row to C.V.S., Parker, South Shore and Hirsch. In this losing streak their best effort was against C.V.S., the undefeated South Section champs, losing only by a 39 to 35 score, and their worst was against South Shore. Although leading at one time by 14 points, our boys finally lost the game by 3 points. Coach John Ivers then changed the Junior lineup, putting Bob Gorman at center, Jim O'Brien and Rich Johnson at forwards and Chuck Lilly and Ed O'Donnell at guards. This turned out to be by far Calumet's best possible lineup for they won 4 and lost only to Hyde Park.

Bob Gorman and Ed O'Donnell led the Junior warriors with 170 and 92 points respectively and Gorman was chosen for the All-South Section second team.

WRESTLING

The wrestling squad, coached by Mr. Dygert, was co-captained by Rich Schmidt and Ron Wanda, both South Section champs. These boys along with Corbett, Reutter, Mattalino, Turner, and Chagnon, qualified for the state finals, held at the University of Illinois on February 23-24. Besides this, all of these boys placed in the city finals at Tilden High School on March 6-7-8. In this competition three took second place, one third, and four fourth.

This year the team placed third in South Section. However since all of these boys will return to the squad next year, a good season is expected.

SWIMMING

Cal's swim teams, suffering from a lack of experienced swimmers, won only three meets while dropping nine. Senior squad, led by Captain Hymes, had Klein, McCarthy, Peterson, Trimble, Townley, and Martin who lead in the scoring. Junior mermen, led by high scoring Captain Hefferan, boasted Garve, Gareiss, Cope-land, Skinner, Warsaw, and See. Hefferan and Garver were junior and senior high scorers with scores of 73 and 47 respectively. Lettermen Martin and Skinner placed 6th in diving and 4th in the 50-yard back stroke in city-wide competition. With 21 of the 30 team members returning next year, Coach Zayner is looking forward to a good season for Cal's mermen.

TRACK

"Sizzling Steve" Breaks State Mile Record—4:23

Steve Murphy, city mile ('49, '50, '51), state cross country two mile ('50), and A.A.U. half mile ('50) winner.

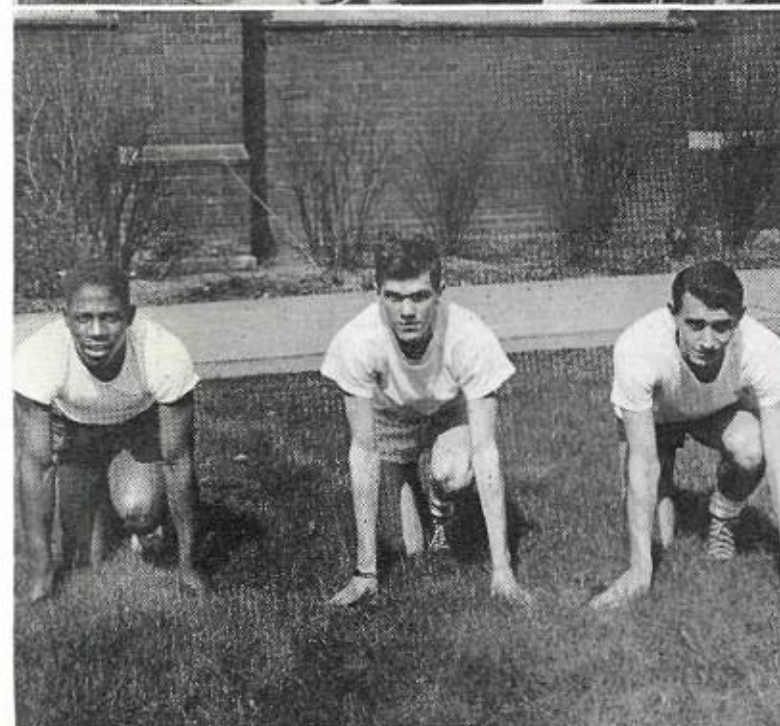

After six years without a track team, Calumet has produced a surprisingly good squad, headed by Steve Murphy, who set a new record of 4:23 in the mile run during an indoor city meet held in the University of Chicago fieldhouse in February. When 60 enthusiastic candidates turned out for practice last spring, the team did well in its first season of competition. However the team lost most of its strongest men by graduation, only five men returning to compete again this year. The team had some good individual track contenders, but lacked strength in the field events.

Coach Busch put the team through months of constant practice hoping to make a good showing in the state preliminaries and finals at Champaign on May 18-19.

BASEBALL

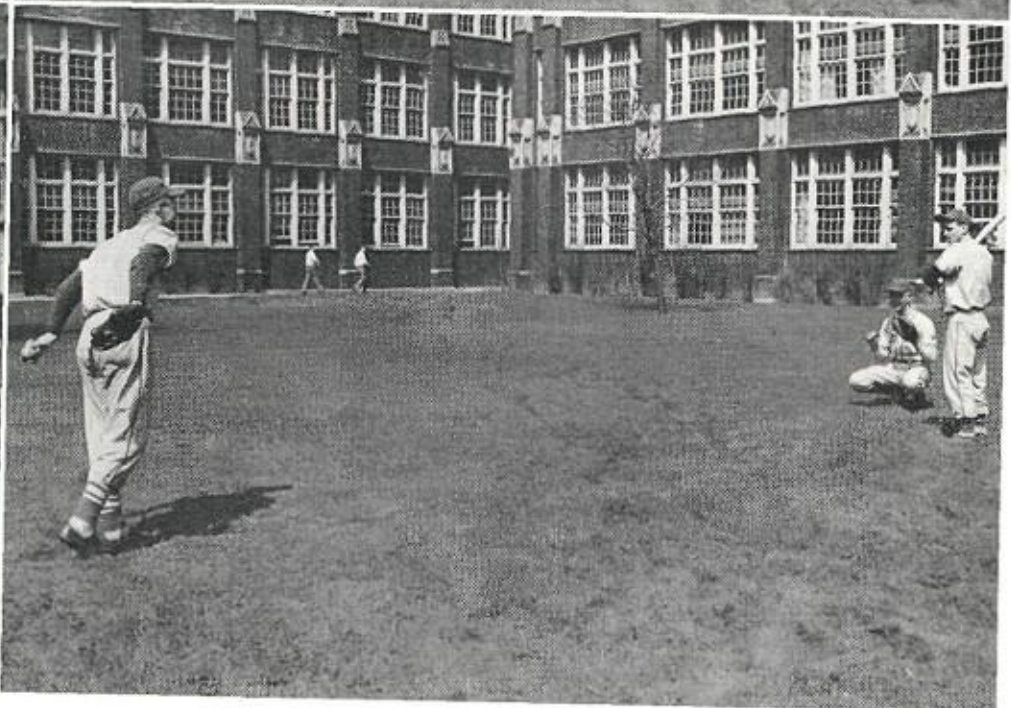

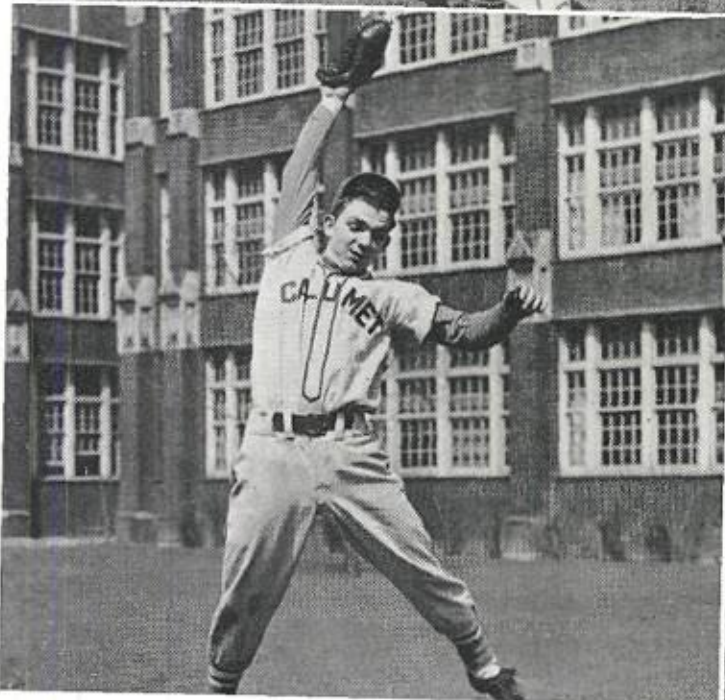

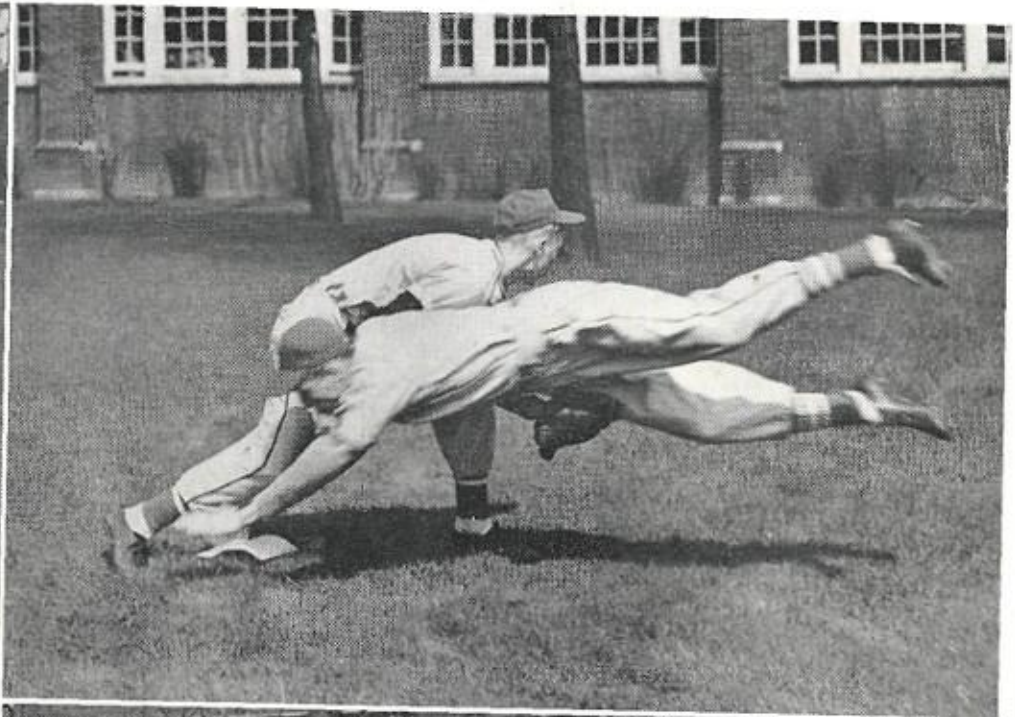

CAL PLACED FOURTH IN SOUTH SECTION

	We	They
Parker	0	1
Hyde Park	7	0
Bowen	1	2
Hirsch	5	7
South Shore	14	0
Morgan Park	7	0
Harper	9	8
Fenger	6	3
Parker	1	3
C.V.S.	2	10
Hyde Park	8	4
C. V. S.	0	7
Bowen	1	8
South Shore	3	2

Calumet's ball team started their season with a heartbreaking 1 to 0 loss to Parker. Al Weidner, first string pitcher, hooked up in a pitcher's duel with the Parker hurler, finally losing in the seventh frame. The first Indian win came by a 7 to 0 count over Hyde Park. Junior moundsman Dick Luebke went the route, yielding only 2 hits. In the following contest Bowen defeated the Indians 2 to 1. Against South Shore, the Indians hit a scoring stride by pounding two South Shore hurlers for 14 runs on eight hits and nine walks. The game was called at the end of five innings under a special rule applying to prep baseball, which states that any team leading by ten or more runs after five innings of play is the winner, and that the last two innings shall be omitted. Ron Duffy led the Indians at bat with a double, a single, and a walk. Bud Buehler also collected two hits.

The team was bolstered by 8 returning veterans, including Bud Buehler, captain of this year's squad. Returning infielders were John Hutchinson, Jack Glavin, and Harvey Albright. Ron Duffy, Mike Crane, and Ed O'Donnell returned to patrol the outer garden. Al Weidner was the only returning moundsman.

LETTERMEN'S CLUB

The Calumet Lettermen's Club, an organization of long standing, exists for the purpose of honoring letter winners who have earned distinction for the school in major sports activities. To those who have won their "C's" in the various sports, this club offers additional honor and prestige. Officers are: Jack O'Toole, president; Steve Murphy, vice-president; Dick Voell, secretary; Harry Schmidt, treasurer.

BOYS' GYM CLASSES

BOYS' BOWLING CLUB

The bowling club for the second year since its reorganization is under the sponsorship of Mr. Gus Schuessler and sanctioned by the American Junior Bowling Congress. The averages and records are kept by Walter Anderson, secretary. The club is composed of eight five-man teams, and bowls at Highland Recreation on Mondays after school. Individuals and teams participate in several tournaments during the course of the season, such as the Christmas tournament, the National and the City tournaments. First place in the league standings was decided by a play-off in which the Misfits were victorious. The season was climaxed by a banquet.

CHEERLEADERS

If any Calites happen to pass the girls' gym early in the spring, they may hear the yells "Yea Team" or "Boom-chicka-boom," resounding through the doors. This would be the cheerleader tryouts underway. At each weekly meeting, some aspirants are eliminated, until finally the desired number are chosen. Any girl may try out for the cheerleader squad if she maintains a G average, is between 5'2" and 5'5", neat, and peppy.

The "jumping Janes" are under the direction of Miss Laura Pearson. Pat Sebbby was this year's captain, assisted by Nancy Cross. Any football or basketball game would be incomplete without these pepoy gals in their white sweaters and maroon culottes. They are also a main attraction at football pep assemblies. These girls cheer even in mud and rain and should be given a lot of credit. Without them Calumet would not back the teams with as much loyalty and school spirit.

This year two boy tumblers, Gene Grandel and Dick Kink, were with the squad, but none are expected next year.

LETTER GIRLS

The Letter Girls is an organization sponsored by Miss Marie Kuglin. To be eligible for the club a girl must obtain her letter by earning 1000 points in athletic events. The purpose of the club is to honor these girls and establish better relations between our school and others by having joint volleyball games. The officers are: president, Barbara Lindgren; vice-president, Diane Burtch; secretary, Carol Schaack; treasurer, Helen Sparks.

BOARD OF SPORTS

The Board of Sports, the 16 member governing body of the G.A.A., plans all activities for the girls' gym. Under the direction of Miss Laura Pearson, they sponsor basketball and volleyball tournaments, a Christmas Party, the election of the Sports Queen, and a play day for board members for the high schools in this district. To be eligible for the board a girl must have obtained her 500 point award and be in her 1A semester.

The board elects officers each semester. Officers were: Joanne Sorber and Carol Schaack, president; Barb Falk and Virginia Peterson, vice-president; Barb Quaney and Dorothy Sutz, secretary; and Carol Schaack and June Sylling, treasurer.

The hard working leaders, under the sponsorship of Miss Marie Kuglin, are the last ones out of the building on Thursday. After each gym period they can be seen in their blue and whites picking up the balls and in general cleaning up. Besides this the leaders also ref games before, during and after school, help in the pool, and aid the teachers.

Officers for the year were: Barbara Markham and Helen Sparks, president; LaVerne McKibbin and June Sylling, vice-president; Arlene Podewell and Marge Andresen, secretary; Connie Riccia and Dorothy Sutz, treasurer.

WORK EXPERIENCE GROUP— ARMOUR & CO.

Armour and Co. and Calumet, for the first time this year, combined business with education by sending thirty-six commercial students to Armour's to work on a part time basis. At 1:30 P.M., Mr. Moser, of Moser Business College, lectures to the group for an hour. For this class time the girls receive a major credit. Besides their school credit, they are paid 98½ cents per hour. From 2:30 to 5:00 the girls receive business practice in the main office and some are placed as secretaries. Miss Swenie supervises their activities and helps with new work. On some days the bosses give lectures on good office work and other facts pertaining to business. Armour hopes to place many of these girls in permanent positions after their graduation from Calumet.
